

Rural Clinics Carson City (RCCC) Intern Weekly Schedule

The intern at Rural Clinics Carson City (RCCC) will experience a range of training activities in variety of settings both on and off the RCCC campus. Like interns in all NV-PIC internship sites, the RCCC intern will have the following mandatory consortium-wide training activities:

- Didactics (2 hours)
- Group Supervision (2 hours)
- Intern Lunch (1 hour)

In addition to those consortium-wide training experiences the RCCC intern will have the following weekly training opportunities:

- Two hours of participation in the weekly staff meeting (which includes clinical discussion)
- Additional opportunities are available to do groups at RCCC such as Seeking Safety, Acceptance and Commitment Therapy, Dialectical Behavioral Therapy, Mindfulness and Dually Disordered.
- One to two hours of supervision with the primary supervisor
- One hour of supervision with the secondary supervisor
- Twelve to fifteen hours of conducting individual outpatient psychotherapy
